DESIGN4RENT. BRANDING, WALL SYSTEMS & STRUCTURES.

Design4rent has evolved from a simple rental service to offering complex solutions such as trade fair stands, signage and temporary structures. To enhance brand visibility and awareness Design4rent offers a complete product personalisation service, custom printing your corporate identity onto many of our products (plotters, vinyl, UV fabric print, embroidery).

Design4rent si é evoluta dal noleggio semplice alle soluzioni di allestimenti complessi; segnaletica, stand fieristici, stand di gruppo e strutture temporanee. Design4rent vi offre la possibilità di personalizzare molti dei suoi prodotti rispettando il vostro corporate design e mettendo in risalto la visibilità del vostro brand (stampa prespaziata o su pellicola 3M, stampa UV su tessuto e cuscini ricamati).

Design4rent a évolué de la location pure à des solutions d'aménagement plus complètes : signalétique, stands pour salons, stands institutionnels et structures éphémères. Design4rent vous donne la possibilité de personnaliser bon nombre de ses produits en respectant votre charte graphique et en mettant en valeur la visibilité de votre marque (impression en transfert ou sur film translucide, impression UV sur tissus et coussins brodés).

Design4rent hat das Produktangebot in den letzten Jahren stark erweitert. Wir bieten Messestände, Gruppenstände, Beschilderung und temporäre Strukturen an. Design4rent bietet Corporate Branding vieler unserer Produkte an (Plotterdruck, 3M Klebefoliendruck, UV Stoffdruck und vieles mehr).
